

Unlocking the Secrets of Colossians (Paperback)

By Brother Jon

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are ten epistles that have meant a lot to me; some over many years and some in more recent time. I want to write about them. Unlocking The Secrets Of Colossians is the eighth book I have done in this series. The church in Colossae had never seen Paul s face at the time of the writing of this letter. It had apparently been started by one of his converts during his second missionary journey. This new brother in the Lord went home and shared the gospel.and a church was formed. Paul was under house-arrest in Rome when he wrote this letter. He addresses the heresy that was already creeping into the church. Oh, we need to guard what comes into our churches. I hope you will join with me in unlocking the secrets of Colossians.
