Adonis & Abbey Publishers. Paperback. Condition: New. 176 pages. Dimensions: 9.0in. x 6.1in. x 0.5in. Understanding Organizational Leadership through Ubuntu offers a creative, innovative and holistic approach to understanding organizational leadership using the principles embodied in the African philosophy of personhood known as ubuntu - or the essence of being human. Using African proverbs, folktales and indigenous concepts, the book discusses the organizational principles of ubuntu and the leadership lessons that modern organizations can learn from these principles. The principles include sharing and collective ownership of opportunities, responsibilities and challenges, the importance of people and relationships over things, participatory leadership and decision making, loyalty, reconciliation, experiential learning and knowledge management. By using humorous ways that touch peoples heart to communicate organizational and personal management and improvement strategies, the book demystifies organizational language while at the same time enhancing its power. It also contributes to the much-needed cross-cultural dialogue among organizations and societies. Chiku Malunga is a consultant and author with many years experience of organizational development work among African and European NGOs. He is currently the director of Capacity Development Consultants (CADECO), an organization that promotes African- centered organizational improvement models. His books include: Understanding Organizational Sustainability through African Proverbs, Organizational Wisdom in African Proverbs, and Making Strategic Plans Work: Insights from African Indigenous Wisdom (2009). He holds a doctorate degree in Development Studies from the University of South Africa and is married with two children and is based in Malawi. He can be contacted at: cadecosdp. org. mw Publication date: June 2009 This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
