Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s good to know that God yet speaks to the sons of men through visions and dreams. My main reason for writing this book is to reveal the vehicle that God uses to convey His will to humanity. This book allows us to see God moving in the universe, era by era and generation by generation revealing His plans through visions and dreams. It is not only my personal experiences with God that enables me to share this beautiful story with you but the Holy Bible also sheds light on a very important Biblical prophecy through the prophet Joel, who stated God is going to pour out His Spirit upon all flesh that your young men shall see visions and your old men shall dream dreams this prophetic word of God is now being fulfilled. Also in this book you will find informative biblical reference scriptures to assist you as you read this book. Also in this book not only do I share with you the vehicle of God s choice (dreams) but also the probable interpretations of the dreams. I truly feel that this book is the book whose time has come. God bless you and may it fulfill your dreams. - Dr. Charles G. Glenn.
