Hay House UK Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. It's time to declare the beat of your own drum. With her trademark humour, enthusiasm and no-nonsense guidance, Pam Grout, the #1 New York Times bestselling author of E-Squared, invites you on a yearlong apprenticeship to recognize and unleash your innate creativity. Making art does not necessarily mean painting a gallery-worthy still life or belting out a Grammy-winning song. It simply means finding a way to give your inner muse a voice in this world. Sure, there's drawing, dancing, singing and writing, but there's also art to be made from creating your own pair of angel wings, inventing a new toy or curating your own at-home film festival. Each week, Grout inspires you to take on a creative project, offers an inspirational message and suggests three zany activities to awaken your infinite creativity. You don't need to know anything! You just have to begin!
