Moira J. Moore, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Catherine is a happy novelist, but a little strapped for cash, so the six-week job at computer software company Create and Conquer is a welcome chance to make some extra money. She meets the CEO, Lance MacCallan, on her very first day. He s gorgeous, rich, admired by all around him, and a total bully. But it s not the attacks on her competence or the threats to fire her that have Catherine rattled. No, it s when the CEO starts trying to convince her to go out with him that things get really unpleasant. A portion of the author s royalties is donated to organisations working with survivors of abuse.
