Honey Co: The Baking Book (Hardback)

By Itamar Srulovich, Sarit Packer

Hodder Stoughton General Division, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. Our day is marked by what comes out of the pastry section, and there s always something good on the way: sticky buns full of cherries and pistachios in the morning; a loaf of rich dough rolled with chocolate, hazelnuts and cinnamon that has been proving since dawn and comes out of the oven fresh for elevenses. Lunch is a crisp, crumbly shell of pastry filled with spiced lamb or burnt aubergine, and at teatime there are cheesecakes and fruit cakes, small cakes and massive cookies - so many cakes that it s hard to choose one. (There s no need to worry, whatever you choose will be great!) After dinner there might be poached peaches with roses or something more traditional, sweet and salty Knafe drenched in orange blossom syrup, or maybe just a small piece of fresh marzipan. There s something sweet, something in the oven for everyone, all day long - welcome to Honey Co. Chapters include: How to be good at baking: general notes; Store cupboard; Sweet savoury breakfasts; Elevenses; Lunch; Teatime; Traditional desserts.

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
