Pearson Education Limited, United Kingdom, 2017. Mixed media product. Condition: New. 4th edition. Language: N/A. Brand New Book. This package includes MyEconLab (R) Getting students to successfully apply abstract microeconomic tools to complex, real-world problems is the ultimate goal of intermediate microeconomics-and goal of Jeffrey Perloff when he pioneered the use of step-by-step Solved Problems. By setting practice and applications in the context of real companies and using real data for analysis, he leads students to connect microeconomic models to actual decisions being made in today s marketplace. This package includes MyEconLab (R), an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. MyEconLab should only be purchased when required by an instructor. Please be sure you have the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.
