

The Young Llanero: A Story of War and Wild Life in Venezuela

By William Henry Giles Kingston

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I should like to draw a picture, though I may succeed but imperfectly, of the grand scenery amid which I passed my childhood s days. Far in the west rose upwards in the intense blue sky the snow-capped peaks of the Cordilleras, or Andes, of South America, with range beyond range of lofty mountains intervening, the more distant rugged and barren, the nearer clothed to their summits with trees, glittering cascades leaping down their side? from rock to rock; while here and there could be seen the openings of deep glens, at the bottom of which copious streams came rushing forth, forming the headwaters of the mighty Orinoco.

Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Kimberly Carroll**

This book will be worth buying. Better then never, though i am quite late in start reading this one. You may like how the blogger compose this publication.
