It's also an excellent tool for making decisions, forecasting potential outcomes, and even locating lost objects. In Tarot on Earth, Tom Benjamin shakes the dust from these ancient cards and reinvigorates the learning process with a series of activities that connect cards to the issues we face in modern life. With lessons on numerology, mastering the court cards, and creating narrative out of spreads, you'll learn to conduct more precise, practical readings, on everything from cheating lovers to lost objects. This immersive class, built for beginners and pros alike, will ground your readings in real life, and help you answer the kinds of questions most commonly asked of card-slingers at all levels. Sprinkled with insight from the author's nearly twenty years working with the cards, Tarot on Earth offers a fresh approach to a wise and timeless tool.
