An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

So when a series of misunderstandings label him a troublemaker, he s delighted to have Jesse Gaston and Jesse s gang befriend him. Nick wants to explore his attraction to Bobby Warren, but Jesse promises to give him a new image and soon transforms the shy loser into an anti-establishment student hero. Thanks to his new reputation, Nick finds himself besieged by would-be girlfriends and expectations that he live up to his public image. As Jesse s PR campaign becomes more and more outrageous, Nick s road quickly becomes littered with ridiculous misadventures and unexpected psychedelic explorations. Meanwhile he struggles to understand his emerging romance with Bobby while dealing with the Vietnam War s continuing impact on his family and the dangerous goings-on at school. Nick s freshman year is a remarkable journey of struggle with his unwanted reputation and his deepening passion for Bobby. Will Nick and Bobby s love survive or will the world s prejudices drive them apart?.
