BARSTOW: A POST-APOCALYPTIC WESTERN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I sat who knows where with the rain falling down, completely drenched, my boots buried in the mud. Save the last bullet for yourself, someone once told me. I couldn't remember who. It was a long time ago, back when I was young, back before I knew just how hard things were, or were going to be, despite all the horrible things I'd already seen growing up. But I didn't have any bullets left. I didn't have anything but an empty gun. COWBOYS AND MEXICANS. OLD WEST TOWNS AND CRUMBLING 21ST CENTURY RUINS. A wanderer turned outlaw and a fierce warrior woman of native blood roam the wastes of a dead civilization, battling cowboys, cannibals and the hot desert sun in a dark tale of love and fate set in the post-apocalyptic American Southwest. Armed with his fearsome fire axe, the other with her deadly guns, the two renegades chance a desperate trek across the long, sweltering hell of the Mojave Desert, the ruthless band of lawmen who pursue them determined to bring the defiant pair to justice before they escape. Strong violence. Adult themes and situations. Note: This is a standalone novel and does NOT require reading of other books in G.P. Grewal's post-apocalyptic series.
