

Dhammapada

By John Ross Carter, Mahinda Paliawadana

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Dhammapada, John Ross Carter, Mahinda Paliawadana, The Dhammapada, the Pali version of one of the most popular texts of the Buddhist canon, ranks among the classics of the world's great religious literature. Like all religious texts in Pali, the Dhammapada belongs to the Theravada school of the Buddhist tradition, adherents of which are now found primarily in Kampuchea, Laos, Sri Lanka, and Thailand. Dhammapada, or 'sayings of the dhamma', is taken to be a collection of the utterances of the Buddha himself. Taken together, the verses form a key body of teaching within Buddhism, a guiding voice along the struggle-laden path towards true enlightenment, or Nirvana. However, the appeal of these epithets of wisdom extends beyond its religious heritage to a general and universal spirituality. This edition provides an introduction and notes which examine the impact that the text has had within the Buddhist heritage through the centuries. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Kian Harber**

This publication is wonderful. I could comprehend every thing out of this published e publication. You can expect to like the way the blogger writes this publication.
