Ediciones Lea, 2018. Paperback. Condition: New. Language: Spanish . Brand New Book. Exposing a materialistic and insensitive culture as the product of a world conformed to fit masculine values, this essay is a collection of reflections on female strength and symbolism from the Kabbalah, astrology, and the mysterious black madonnas ? created and venerated by medieval alchemists. The widespread practice of undervaluing women is unmasked. The feminine side existent in every individual is unveiled. El polo femenino es el lado interior de lo humano, la tierra fértil que habita en cada uno de nosotros. La dimensión de lo femenino es la dimensión de la espiritualidad. La mujer es portadora de esta dimensión. En la mujer, el vínculo con lo espiritual se encuentra más activo ya que ella es esencialmente la madre de toda vida y la vida es signo de espíritu. Nuestra cultura actual materialista, insensible e incrédula, es la configuración de un mundo hecho a la medida de los valores masculinos, en el cual lo femenino se encuentra devaluado y despreciado. Nuestra espiritualidad es una espiritualidad enferma de machismo. El presente texto es un conjunto de meditaciones y reflexiones que giran en torno al misterio de lo sagrado femenino, profundizando en los diferentes símbolos tradicionales presentes en la Cábala, el Tarot, la Astrología, la Alquimia, las Escrituras y en las llamadas Vírgenes negras , aquellas misteriosas imágenes de la Madre de Dios realizadas y veneradas por los alquimistas medievales.
