VIETNAM WAR: DEFINING MOMENT FOR AMERICA - REMEMBRANCES AND REFLECTIONS OF AN ARMY INTELLIGENCE OFFICER (PAPERBACK)

Outskirts Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Former Army Captain, Joseph W. DiLeonardo takes us on a personal journey that spans a century. You are introduced to his family and follow their lives from Italy and the dust bowl of Kansas to Sunnyvale, California, where Joseph and his siblings were born and raised. You are presented with the greatest generation who won World War II and returned America to a land of peace and plenty. From this society came the citizen soldier, who would fight, die, be wounded, and emotionally scarred by the first war America lost. There are comparisons between America when Joseph was young, and America as it evolved after the Viet Nam War. As a veteran, a lawyer, a father, and husband filled with remembrances, Joseph uses every opportunity to make comparisons and espouse strong opinions. The focal point of the book is the 13 months and 12 days, Joseph served in Viet Nam. The premise of the book is that the Viet Nam War was the defining moment for America. He now recalls in a detailed account of his service as the Order of Battle Section Chief for the Americal Division. He relates as a witness and participant. He reflects in the present, with his opinions and recommendations about the Viet Nam War, war in general and the direction of America. We follow a young officer as he moves from a new and naive leader to a driven aggressive intelligence chief. That change comes with his first intelligence assessment for the Summer Campaign in 1969. That campaign was one of the largest battles for the Americal Division and arguably the most important in affecting the outcome of the War. The young Captain saw the real tragedy of...
