AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Workplace Survival is a true story of a reckless renovation. In 2005, I was diagnosed with Chronic Obstruction Pulmonary Disease. I never had asthma, nor allergies and I never smoked, but I went to work healthy and ended up sick with lung disease. In a 1999 air quality report, it said that the internal appearance of the air-handling units appeared to be in generally poor condition with many items requiring attention. But three years passed before any renovation work was done. After fourteen-and one-half years of employment with this government, I ended my career overnight due to recklessness. It all started with the installation of a heating, ventilation and air conditioning unit (HVAC) in a 1960s vintage anemic building. Many dangerous toxins were known to be in the building-lead, aluminum, chromium, asbestos, mold, dust, fiber, fungus and God only knows what else. The recklessness caused the dangerous poisons to come through the overhead vents in my office and into my airways and lungs that were injured. It was my faith in God that saw me through this horrific storm. I learned the place...

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication i have got read through in my very own lifestyle and might be the greatest book for possibly.
