Berkley Books, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. When Benni Harper s friend passes away, he leaves his Broken DIS ranch to his daughter Shawna and her husband. Instead of raising cattle, the couple decides to turn it into a dude ranch. And while their intentions may be good, business is not. Leave it to Benni and her family to come to the rescue. Her plan? To tempt vacationers with a quilting and western extravaganza. It works. And soon, Benni and her family are cooking, quilting, and horseback riding with a whole slew of western tenderfoots. But the west gets a little too wild when one of the ranch dogs discovers a human bone on the property. It s enough to scare any reasonable guest away. To top it off, there s a rumor that one of the visitors is a nationally known travel writer, secretly working on a write-up. A bad review could easily kill business. Before long, Benni s old nemesis, Detective Ford Hud Hudson, is on board investigating. Together they uncover the remains of a murdered man buried in a shallow grave. Now, Benni must keep the guests safe and happy while unearthing the truth behind a terrible crime.
