Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Iowa State University Press, United States, 2011. Paperback. Condition: New. 2nd Edition. Language: English . Brand New Book. Essentials of Small Animal Anesthesia and Analgesia, Second Edition presents the fundamentals of managing small animal anesthesia patients in a clinically relevant, accessible manual. The bulk of the book is distilled from Lumb and Jones Veterinary Anesthesia and Analgesia to provide authoritative information in a quick-reference format, with references to Lumb and Jones throughout for easy access to further detail. Logically reorganized with an easy-to-use structure and an increased focus on pain management, this new edition features new chapters on equipment and managing specific conditions. The Second Edition has been updated to reflect current practices in anesthesia and analgesia, and a new companion website offers review questions and answers, video clips, and an image bank with additional figures not found in the printed book. Essentials of Small Animal Anesthesia and Analgesia, Second Edition provides veterinary care providers and students with key information on anesthetic and analgesic pharmacology, physiology, patient assessment, and clinical case management.
