Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hochzeit Auf Capri Compared to such brilliant spots of splendor as the Antilles or Ceylon, Capri is a mere rocky speck less than four miles in length, and not more than ten miles in circumference. It is divided into nearly equal halves by a lofty, and on one side precipitous moun tain, called Monte Solaro, which stretching from shore to shore leaves literally no natural land-communication between the two parts. There are also two entirely distinct communes on the island known by distinct names: Capri in the east, and Anacapri Upper Capri) in the center and the west. From Roman times there has been, as there still is, an ascent from Capri proper to the heights above, by a flight of 536 rude steps cut zigzag in the rocky face of the almost sheer precipice. But the inhabitants of the two communes have little intercourse or need of communication with each other. They are of different races. Their very dialects are different: The Caprians are Latin, vio lent in their religious prejudices, grasping and self asserting; the people of Anacapri, on the contrary, are of Greek stock, tolerant and easy-tempered. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
