Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Province of Ontario: Its Soil, Climate, Resources, Institutions, Free Grant Lands, for the Information of Intending Emigrants This pamphlet, prepared by authority of the Government of Ontario, 18 designed to afford information to intending emigrants and others, as to the advantages the Province presents as a field for industry, enterprise, and capital. The efforts to promote emigration for the past year have been attended with more than ordinary success, showing an increase of several thousands over that of 1872, and it is believed all who have come, and who on their arrival were prepared to utilize the opportunities afforded in the country for employment, have been provided for and are doing well. In the Spring of the year circulars are sent to the heads of all municipalities in the Province, numbering about 400, asking for information as to the number and description of labourers, mechanics, c., likely to be required, and the average wages paid. The answers to these circulars enable our immigration agents to direct emigrants on their arrival to places where employment awaits them.
