

Digging Deep in the Garden: Book Three (Paperback)

By John Walker

Earth-friendly Books, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The silence of celebrities on climate chaos. growing your own biofuels to benefit bees. how to run your garden on renewable, modern sunlight. why nature-friendly organic gardening is bad news for big business. how slug pellets are polluting your cup of tea. In this incisive, witty and thought-provoking collection of essays exploring gardening s place in nature, John Walker challenges gardening s status quo at a time of unprecedented environmental upheaval, while urging us to garden in ways that are truly green. This third book of John s earth-friendly garden writing was originally published in Organic Gardening/Organic Garden Home, and then in Kitchen Garden magazine, as his long-running and popular series Digging Deep . John Walker has been growing plants since he could walk, holds the Kew Diploma in Horticulture, and is an award-winning gardening and environment author, writer, blogger and micropublisher. Despite occasional squirrel-fuelled frustration, he is enjoying eking a new earth- and climate-friendly garden from a once bracken-riddled hillside at his home in Snowdonia, North Wales.
