Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Live Your Passion! The Ultimate Guidebook for married men who have sex with men. Find and enjoy all the male sexual encounters you want, whenever you want, in a safe, sensual, knowledgeable and discreet way. This friendly and informative book answers all those difficult who, what, why, when and how questions about man-to-man gay sex. Packed with winning secrets for discovering unlimited like-minded men in your neighborhood it shows how men the world over are already living exciting and meaningful male sex lives whilst still being in heterosexual relationships. But there are dangers and consequences for a husband living in a dual sexual world. Everything is here for you to make your own informed decision as to whether that lifestyle is for you - or not! With practical advice, real life stories, concise information and details about how to avoid life-changing mistakes, it s the invaluable first step to a happier, less sexually frustrated and man-friendly lifestyle. If only I d had this information available when I was married I wouldn t have made all the mistakes that I did! Read it now - and today could be the most liberating day of your life. This rare and insightful book is essential reference material for both the husband, and those seeking or dispensing understanding. It should be available everywhere sexually frustrated men can find it - in public libraries and the offices of psychologists, marriage councilors and medical practitioners the world over. Understand the point of view of the sexually frustrated husband and you understand much about marriage incompatibility and masculine loneliness. It also includes sections on encouraging a re-examination of the current marital sexual situation and a brief overview about the ramifications...
