CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 154 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. In 2002 I was a Florida Registered Pharmacist in Miami where I was divinely given AMBUSH, the CURE for HIVAIDS by the Angel Gabriel who said it was to be FREE to mankind. On research it was found to be an isotope of uranium found in the Palm Plant. This KILLS the virus by disrupting the outer shell and allowing the White Blood Cells to engulf the dead viral particles. The body recovers and loses the immunity in 5 months so the person seroreverts to HIV NEGATIVE. Miss Wheelchair is not able to walk because the myelin sheath covering the spinal cord had been eroded and now there are pockets of virus in the cocoons that are in the spaces of her spinal column. Even after the first 10 days she has not had a headache but the smell of Ambush being prepared by a person who is HIV free, gives them a headache. Her viral load on 5614 was 441, 476 but dropped on 62014 to 226, 900 and that is HOPE even to the unbelieving scientific community at Johns Hopkins in Maryland. This item ships from La Vergne, TN. Paperback.
