The University of Chicago Press, United States, 1986. Hardback. Condition: New. 3rd Enlarged and Revised ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The previous editions of this work were praised as lucid and insightful introductions to a complicated subject. This third edition incorporates major additions to update the survey while retaining its clarity. Selected from the second edition are essential chapters on developments in balance-of-payments theories, inflation and exchange rates, the international adjustment to the oil price rise, and monetary integration in Europe. In three new chapters, Corden considers the international transmission of economic disturbances, the international macrosystem, and macroeconomic policy coordination.
