Our American West, Volume 2 begins with America s first colonizers, the prairie dogs , and how out on the ranges they were so hated by ranchers that they were almost made extinct. Conestoga Wagons were once called prairie schooners crossing America long before the famed Pony Express . Doctors were often called sawbones and not without good reason as they struggled to save their patients with little more than poultices and prayers. Tom Horn was a tall and handsome hired gun, but did he hang for a killing he did not even commit? And how about the often ridiculed mules - are they really smarter than horses? Billy the Kid was a natural born killer, however Clay Allison was every bit as deadly and you ll hear some stories about the famed fast draw was it a case of Myths but Mostly Misses ?
