People who didn t have the opportunity to rely on modern technology were not capable of the same chances at longevity and health that we are in modern times. However, it is important to remember that the drugs we are using now are still in their infancy, and may come with more problems than solutions in some cases. BOOK #2 PREVIEW This book contains proven steps and strategies on how to heal various ailments without the use of chemical drugs.The science of herbs is a science that the world has forgotten as people began to rely on modern technology more and more. Unfortunately, it was forgotten for the wrong reasons. The appreciation for the gifts of nature fell into ignorance as people become blinded by the convenience of modern technology. BOOK #3 PREVIEW In this book you will learn about the top five medicinal plants that you can plant in your own garden, their benefits to your health, and how to keep growing them so you never run out of supply.There are so many benefits to having gardens in your home. First, it...
