Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Christian in Crisis Debt Centered Crisis; Christ Centered Solution Having spent more than 15 years counseling and defending thousands of families drowning in debt, author and attorney Steven Reed Cohen, esq. felt a great need to write this practical guidebook for those drowning in debt. Are you overwhelmed by debt? In over your head? Don t know where to go or what to do? Feel like you have no plan for the future and that your creditors are attacking you left and right? Do you just look at finances and purchases with a blind eye hoping that the numbers will work themselves out? Then this is your guidebook. Christian in Crisis provides practical and Biblically based solutions to those drowning in debt with guidance from an expert on numerous issues and situations. It is also an excellent financial guide to those not yet in debt, with key insights into the workings of the debt market and how to avoid the pitfalls and snares which creditors so willingly allow us to fall into in our modern financial world. The text deals systematically and proactively with the most common financial situations facing Christians and non Christians alike today. Do you have what it takes to become debt savvy?!!! You do, but each and every purchase you make and each paycheck you receive is either one step closer toward financial freedom or financial crisis. Christian in Crisis provides a chapter by chapter guide to the most common problems and situations facing those in financial trouble today. The text explores how one gets into debt, how to budget your way out of debt and what to do when you are sued or feel the...
