SIMON SCHUSTER, United States, 2008. Paperback. Condition: New. Fireside Trade.. Language: English . Brand New Book. The latest and greatest in baseball guru Rob Neyer s Big Book series, Legends is a highly entertaining guide to baseball fables that have been handed down through generations. The well-told baseball story has long been a staple for baseball fans. In Rob Neyer s Big Book of Baseball Legends, Neyer breathes new life into both classic and obscure stories throughout twentieth-century baseball--stories that, while engaging on their own, also tell us fascinating things about their main characters and about the sport s incredibly rich history. With his signature style, Rob gets to the heart of every anecdote, working through the particulars with careful research drawn from a variety of primary sources. For each story, he asks: Did this really happen? Did it happen, sort of? Or was the story simply the wild invention of someone s imagination? Rob checks each story, separates the truths from the myths, and places their fascinating characters into the larger historical context. Filled with insider lore and Neyer s sharp wit and insights, this is an exciting addition to a superb series and an essential read for true fans of our national...
