Thames Hudson Ltd, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. Susan Herbert's delightful feline re-imaginings of famous scenes from art, theatre, opera, ballet and film have won her a devoted following. This unprecedented new compilation of her best paintings provides an irresistible introduction to her feline world. An array of cat characters take the starring roles in a variety of instantly recognizable settings. The masterpieces of Western art retain their distinctive styles while being cleverly filled with furry faces and pussycat tails. Cats then take to the stage in Shakespearean dramas and lavishly staged opera productions. The final stop is Hollywood, where cats are cast in everything from big-budget epics to cult classics, emulating the timeless glamour of the golden age of cinema. From Botticelli's Birth of Venus through Puccini's Tosca to James Dean and Lawrence of Arabia, Susan Herbert's brilliantly observed feline dramatis personae are a joy to discover.
