## HENRY S COWS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Montana poet Philip Burgess is a ranch kid in exile. He s a Vietnam veteran, a semi-retired drifter, and an avid admirer of working cow ponies. Henry s Cows, his second published collection of poetry, celebrates both the rugged landscape of the eastern Montana badlands and the treacherous terrain of the human heart. Using evocative language and his sharp eye for detail, he explores his connection with the land, as well as the more complex connections between its inhabitants. Having spent more than ten years traveling the world, Philip has developed a singular perspective on life, love and beauty. Henry s Cows crackles with humor, sadness, and poignant moments that only a truly poetic soul can capture on the printed page.
