

Laddie Leprechaun (Paperback)

Filesize: 4.28 MB

Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As legend has it, Leprechauns hide their pots of gold at the end of the rainbow. However, once you get close to one end, they move it to the other. True to his background, Laddie Leprechaun doesn't like to share his pot of gold. Unfortunately for him, he must follow his clan's rule. If you see him, and if you can catch him, he'll have to give you his pot of gold. Laddie Leprechaun is a 30-word rhyming, children's book geared for children ages Baby to 3. Children are sure to enjoy Laddie Leprechaun's rhymes, rhythm, and song-like quality. Laddie Leprechaun could be sung to the tune of Jingle Bells. Laddie Leprechaun would make a great gift for a beginner reader. For more than 30 years, Sara Bell Welles has taught children whose ages ranged from Baby to 14. It was during that time, she created songs, stories, and illustrations to go along with her lesson plan. Now, Ms. Welles uses her time and talents to create stories for young children. Laddie Leprechaun was created after a fun discussion about Leprechauns, sharing, friendships, rainbows, and St. Patrick's Day. Sara Bell Welles has self-published several books on E-bay, Create-Space, Kobo, Kindle, Nook, and Amazon. These titles are: Umbrella, I Need You, Cassie Caterpillar, Laddie Leprechaun, A Picnic, A Picnic: What a Wonderful Surprise, Oh, Mrs. Cow, and Ernie the Wormy.
