What happens when a young man has a slight learning disability and the only solution is in special ed. classes? What happens when he comes from a good family, is raised in church and is distracted by the allure of the streets? The streets make an excellent teacher. Young men learn they can have money, cars, Jordans and status. These questions are answered by a young man whose experiences ultimately led him to prison. Living It Out is Allen Smith s story of being frustrated in school, hustling in the streets, losing everything, then finding love and happiness by getting to know God in a whole new way.
