

Creativity Unzipped: Why Your Thoughts Matter

By Jan Phillips

Livingkindness Press. Paperback. Condition: New. 240 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. A synthesis of stories, science and social research on the nature and power of creativity. Creativity Unzipped redefines creativity to include the shaping of our lives. It addresses the reader as a creative person who is daily creating and sharing stories, daily creating the experiences they encounter with the tools of their intentions, thoughts and words. This book is not a How-To book, but a Why-To Book, exploring the extraordinary value and positive benefits of a fully expressed life. It examines the obstacles we face as creators and imaginative people, illustrates how our cultures and religions discourage originality, and uses personal anecdotes to show the many paths being forged by creative individuals today who are shaping a new and sustainable culture. It will raise your consciousness, lower your anxiety, heighten your confidence and warm your heart. Creativity Unzipped delivers the best news about creativity that you've heard in a long time!
