Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tom shares how he and his mother believe the MMR vaccine caused him to develop autism. Tom s mother reports that he was a typical baby until the day he got the vaccine and his life was changed forever. The vaccine stopped all of Tom s development and made him regress to lower functioning behaviors that he was already overcoming before he received the vaccine. Tom changed after getting the vaccine.Tom explains how he thinks his autism developed due to a combination of the vaccines, the environment, and some genetics as well. Today Tom works hard to overcome the autism but he still feels a little upset that he was allowed to get the vaccine that would change his life forever. Tom describes how he feels that the MMR vaccine contributed to him getting autism. Today Tom encourages parents to avoid vaccinating their children so that they do not develop autism.Tom s mother said that her baby was a completely different baby hours after getting the MMR vaccine. It is important that parents educate themselves so they know of the pros and cons to getting the MMR vaccine. Tom feels that the mercury in the MMR vaccine that he received is what attributed to him developing autism spectrum disorder. Tom shares his story in this book so that parents can better educate themselves on the dangers of vaccinating their children. Here is an excerpt from the book. The MMR vaccine has had long lasting effects on me and I am totally convinced that the Autism I deal with today is a direct result of the MMR vaccine. I know everyone is entitled to their own opinions but based...
