Crash Course also has stories illustrating what Bernie Bulkin has learned through life experiences - jury service in a gang murder case, buying a first house, travelling to the Soviet Union, learning to ride a horse - and how you can do likewise. This is a book of successes and failures, good and bad leaders, skills that need to be learned and practised, as well as how to build a great career and a great company. There are lessons to help leaders at all levels, from frontline managers in their first leadership role to CEOs in companies both large and small. A treasure trove of practical wisdom . . . Full of wit and insight - Stephen Hall, McKinsey and Company The perfect How To book on effective leadership.
