Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Short version of Melissa s Diary. Writing in a journal or diary is good therapy they say. I am not a professional author, that will become painfully obvious. I am however living a dream and sharing a piece of myself. Maybe everyone should share more of themselves, they might just learn something new. This book has a few of my stories and poems. My goal is to touch one person, I hope it is you.
