When Charlie Boxer reads this note from his daughter in her empty room, the words only reinforce what he already knows: he's always got his priorities wrong. His ex-wife, DCI Mercy Danquah, and their daughter, Amy, have learned to live without him. Boxer's work in high stakes kidnap and recovery has taken him to places from which no man returns unscathed. And Amy has been around enough police business to plan the perfect disappearing act. But what Amy doesn't realise - and Boxer knows only too well - is how quickly a life can fall apart when living under the radar. Charlie follows Amy's tracks from London to Madrid - but will the trail last long enough for him to face up to the true meaning of the sins of the fathers?.
