Excerpt: . . . ously. The other group, an international consortium of scientists led by Dr. Panos Zavos, a reproduction researcher, and his partner, Severino Antinori, an Italian fertility doctor, have stated their intent to develop clones for infertile couples. In January of this year, Dr. Zavos group announced that within 2 years it intends to clone the first human being at a site outside the United States. Capitalizing on the fascination with human cloning, other groups have established websites offering cloning services. We have a demonstration of that. Although federally funded human cloning research is prohibited, such privately funded research is not. In fact, no definitive Federal statute governs privately funded human cloning experiments. Experimentation in science has outpaced the law on the underlying issues raised by human cloning. As one of our witnesses, Dr. Arthur Caplan recently put it, the science horse ran out of the barn, jumped over the fence and has gone down the highway and the law is still hanging around the barn. The FDA has asserted that it has...

Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Joana Champlin**

The publication is great and fantastic. It can be filled with knowledge and wisdom You wont truly feel monotony at at any moment of your time (that's what catalogues are for about if you ask me).
