Excerpt: . . . and presented a succession management plan that recommended, among other things, piloting job rotations and assignments to address mission-critical priorities and resources. In addition, according to a Census Bureau human resource official, the Council assesses various succession-related issues, such as recruiting and competency development for the Bureaus senior management. In turn, senior management recently tasked a Council representative to provide monthly updates on succession-related issues. EPAs Human Resources Council, composed of senior leaders who are to advise the EPA Administrator on human capital issues, released EPAs Strategy for Human Capital, a planning document outlining EPAs long-term human capital goals. The strategy names the offices responsible for leading each of its goals. For example, the Office of Human Resources, the Executive Resources Board, and human resources officers are to implement a strategy to nsure the Continuity of Leadership, Critical E Expertise, and Agency Values through Succession Planning and Management Executive Development. According to agency human capital officials, EPAs assistant and regional administrators and their senior...
