Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As my practice of meditation becomes more a part of my daily life, new insights as I never dreamed of existing are becoming obvious and clear, often times challenging my limited means of expression; yet I try non-the-less. So it seems fitting I refer to the accounts in the writings, as ?The quest for non labeled reality? I am sure in time my entries to date will appear as clumsy attempts at expression, and hopefully that will prove to be true. For to stay static in thought, feeling satisfied with ?that s just the way it is? to me is a terrible waste of awareness.
