Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Codification of Rhode Island Laws Relating to Children The purpose of the Rhode Island Congress of Mothers and Parent Teacher Associations in undertaking the publication of the children's code was to make available and easily accessible for general reference, a tabulation of the Rhode Island laws affecting children. The project of compilation was initiated by the 1920-21 legislative committee of the Congress and was carried to its completion under the auspices of the 1921-22 legislative committee. The codification was made by Professor Harold S. Bucklin of the Social and Political Science Department of Brown University, who has most generously given his time and effort to its accomplishment. It is hoped that this pamphlet will reach and prove helpful to parents, teachers, school officials, welfare workers, and all who have a direct interest in the upbringing and safeguarding of the children of our State.
