## The Wendell Cocktail (Hardback)

By Margaret R Miles

CASCADE BOOKS, 2012. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Description: The Wendell Cocktail describes a major social problem, exemplified by the journals of a person with coexisting conditions--mental illness and addiction. Although there are resources for people with each of these conditions--psychiatry for mental illness and twelve-step programs for addiction--there are few effective resources for people with both. Since about half of the mentally ill medicate with an addiction, an increasingly large percentage of the American population is left without adequate care. Wendell's journals illuminate the complexity of a tormented mind that is nevertheless capable of exquisite enjoyment of music, natural beauty, and delight in the observation of birds and animals. The book's conclusion suggests approaches to understanding and better providing for persons with addiction and mental illness. Endorsements: Margaret R. Miles is one of the most insightful religious thinkers of our time. The breadth of her historical understanding of Western thought and art, and her sensitive observations about the changing roles of women over time, have been clearly established in her other books. In...

### Reviews

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*The most effective publication I at any time read. We have studied and I am sure that I will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).*
