

The Princess Diarist (Paperback)

By Carrie Fisher

Transworld Publishers Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. When Carrie Fisher discovered the journals she kept during the filming of the first Star Wars movie, she was astonished to see what they had preserved - plaintive love poems, unbridled musings with youthful naivete, and a vulnerability that she barely recognized. Now her fame as an author, actress, and pop-culture icon is indisputable, but in 1977, Carrie Fisher was just a teenager with an all-consuming crush on her co-star, Harrison Ford. With these excerpts from her handwritten notebooks, The Princess Diarist is Fisher s intimate and revealing recollection of what happened on one of the most famous film sets of all time - and what developed behind the scenes. Fisher also ponders the joys and insanity of celebrity, and the absurdity of a life spawned by Hollywood royalty, only to be surpassed by her own outer-space royalty. Laugh-out-loud hilarious and endlessly quotable, The Princess Diarist brims with the candour and introspection of a diary while offering shrewd insight into the type of stardom that few will ever experience.
