THE ART OF TOMMY VILLARREAL: MYTHS AND LEGENDS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.When we think of good stories we have to think in good storytellers. Stories are told in words that can draw in our imagination a great variety of realms and universes in which heroes, villains, adventures and romances occur. Most of us have imagine these kind of words wishing that somehow we might see them in real life, then another kind of storyteller makes a movie or some other kind of graphic art that finally let us see with our own eyes what was only a figment of our imagination. Then there is this kind of storyteller that can do both things at the same time, Tommy Villareal is one of those great artists that not only tells you a great story with words; but who can also draw it for you to experience it with amazement. It is through his illustrations that the richness of his stories grows and the universes were they exist expands. Collaborating with Tommy has let me know the artist, the husband and father that he is; and the greatest story he has ever told is his own, as a humble man that is always there for others. It is for me a great joy that now you will get to know him through his art and I hope that you as reader of this book will somehow meet Tommy Villareal through the creative work of his hands. Enjoy it!.
