Walker Books Ltd, United Kingdom, 2011. Hardback. Condition: New. New edition. Language: English . Brand New Book. This is a favorite back in print! A child discovers, in the old house and overgrown garden she passes every day, that wonders wait in secret. One day, on the way to the park, a little girl climbs the gate of an old yellow house. Although no one has lived there for a very long time, a little boy suddenly appears before her. Come and play with me , he beckons. He leads her through an enchanted garden, showing her all its marvellous inhabitants: a tiger playing with its cubs in the long grass, a dolphin leaping in the goldfish pond, a pelican roosting high in the apple tree. Then the mysterious boy is gone, the girl s mother is calling, and all is as it was before. In this well-loved picture book, Blake Morrison and Helen Craig bring us to a place where, for a moment, magic is real. Award-winning poet Blake Morrison s gentle, lyrical tale continues to enchant more than twenty years after its first publication. Helen Craig s delicate etchings perfectly complement the enigmatic text.
