Gressive Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The common conception of gender is turned on its head in these eight sensual stories by longtime Circlet Press author Raven Kaldera. From the ancient Roman Empire to the virtual-reality-filled future to fantasy worlds filled with fae creatures, these stories follow people (and other beings) who are transgender, intersex, androgynous, or otherwise beyond the gender binary in their exciting and often kinky erotic adventures. In these stories, a woman becomes the lover of a deity who comes to her through the bodies of people who are more than simply men or women; a would-be superhero with a less-than-useful mutation seduces an androgynous shapeshifter with ambiguous loyalties; a woman inherits some strange artifacts from a witchy great-aunt and, with them, a startling and transformational family legacy; and more. Combining love, worship, power, and gratification, these encounters are surprising and challenging-and, of course, always sexy. About the Author: Raven Kaldera is the author of 34 books and innumerable short stories. He lives on a small homestead in Massachusetts with his polymorphously perverse polyamorous family, and a few goats, sheep, and chickens. Tis an ill wind that blows no minds.
