Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is NOT on how to cure anything. In Chiropractic college the first thing we learned is that you can only cure 2 things: Ham and Bacon. I am not a cancer expert, not an oncologist and not even a medical doctor. So why should you buy this book??? Because I am not any of those things. My approach is to look at how to help maintain normal function of the tissues that are being attacked, with other issues such as nausea and dry mouth from a natural point of view, as well as a well rounded approach to helping to stay healthy with diet, prayer, cleanses and detoxification. There are also helps to use during chemotherapy including nausea, hair loss and chemo fog. I am not ANTI-meds. What I am offering are some natural alternatives that you can use AT THE same time if you chose to do chemo or other traditional approaches.
