RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 192 pages. OCLC Number: (OCoLC)50608862 Subject: Bioterrorism -- United States -- Prevention. Excerpt: . . . 11 include web-based disease notification to the health community nationwide, which is so important in order to hook up with the local communities, local health departments, and the State health de-partments. This effort will also provide for the expansion of a very successful health alert network. We have 37 States hooked up right now. We want to get to all 50, and then we would like to hook up to the local health departments. It is going to help provide early detection of disease to 75 percent of the Nations 3, 000 counties. We are providing 15 million to support increased capacity in no less than 78 laboratories in 45 States. This funding will enhance our ability to identify and detect all critical biological agents, and we are implementing a new hospital preparedness effort to ensure that our health facilities have the equipment and training they need in order to respond to mass casualty incidents. Third, in addition to purchasing pharmaceuticals, we are committed to the development and the approval of new vaccines and new therapies. For example, the Food and Drug Administration is working closely with the manufacturer of ciprofloxacin, commonly known by the brand name Cipro, to make certain that firm, Bayer, can safely and rapidly increase its production of that drug, which is used in the treatment of anthrax victims. I was in contact with Bayer yesterday and they have announced, as of yesterday, they will be able to produce 200 million tablets within the next 90 days. Let me also announce that the FDA is officially approving today the use of two additional generic antibiotics for the treatment...
