

## What Did I Eat Today? (Paperback)

By Kathleen Bartholomew

Lulu.com, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is an account of my life from July 2007 to June 2009, during which time I lived with bowel cancer, pneumonia, and lung cancer. This resulted in surgery to remove most of my left lung, six months chemotherapy, a major stoma reversal operation and eight stricture dilatation operations with radiography. Whatever else it is though, this is decidedly not a book about illness. Rather, it is a celebration of living: an honest and, above all, positive record of life lived to the full, despite setbacks.

### Reviews

*Completely essential study publication. This is for anyone who statte that there was not a well worth reading through. I am very easily could get a satisfaction of reading through a written publication.*

-- **Hallie Stanton**

*I actually began reading this article pdf. It really is filled with wisdom and knowledge You wont sense monotony at at any time of the time (that's what catalogues are for concerning should you request me).*
