You may fear you won t receive your fair share of things, often feeling mistreated or put upon by others.Sounds grim, doesn t it? But despair no longer! Finally there is a solution. With this book, you will learn how to say good-bye to unnecessary response styles that cause you to feel unhappy, angry, resentful, disappointed, and stressed out by daily life. It also will help those who either know or are intimately involved with drama queens to cope with and understand the highly sensitive.Certainly there are countless resources available that can assist those who are in need of stress management and anger reduction in order to lead happier lives.
