Section 1 Writing and Selling the How-to Article Used in both the Christian and secular market, the How-To Article is considered one of the easiest to write. Let me show you how to write about what you know, find a solution to a challenge, or share an easier way to solve a problem. Use quality photos to sell your How-To craft article ideas to editors by showing the materials needed, the steps involved in the directions and the finished product. Learn how to write in a sequence of steps, and give readers confidence in learning new information. Section 2 Writing Newspapers Articles and Mini-Columns Your local newspaper is a source for writers. Newspaper articles and short columns run anywhere from 300 to under 1,000 words, with 750 being an average. Keep your eyes and ears open to events in your community. Stay ahead of what is happening and offer to write an article. Editors need mini columns to finish out a column in magazines and newspapers. You can supply these needs by writing tight and bright articles that are geared to the audience and magazine. Section 3 Break into the Magazine Market with Fillers Do you have an amusing anecdote? What about a child s cute saying? Or, can you supply a brief quotation that matches the tone of the publication? Let me show you how to find these markets that use brief fillers and mini columns. I ll explain how to: Listen to conversations. Observe people. And come up with original thoughts that can turn your words into entertainment or laugh lines that bring smiles to readers...
